| 7-30-85 | 111 | Filed OPINION # 58003. From the outset, this case has involved two gorillas, King Kong and Donkey Kong, and the rights of their respective owners, Nintendo's counterclaim for unjust enrichment is denied. Its counterclaims for vicarious copyright infringement and tortious interference with contractual relations are granted, and atty's fees are awarded as set forth herein. Damages as set forth herein will be awarded. Submit judgment on notice.--Sweet, J. c/m date unknown                     |
| 8-23-85 | 112 | Filed plttf's notice of objections to proposed judgment. orig. to chambers                                                                                                                                                                                                                                                                                                                                                                                                                                    |
| 8-23-85 | 113 | Filed plttf's affdvt. and Order to Show Cause. with a stay. Ordered that the that defts shal- show cause why why the entry of judgment on defts counterclaims should not be stayed for a period of three weeks.
